

On behalf of the Embassy of Brazil in Thailand, I am honoured to convey information on the Brazilian scholarship program for foreign undergraduate students, 'PEC-G 2017'. As you may be aware, the Higher Education Commission of Thailand identified your Faculties as responsible for one or more priority areas under our current bilateral educational cooperation, and you as focal point for further promoting this initiative among your students.

Applications for 'PEC-G 2017' are open until July 15, 2016, through the Embassy of Brazil in Bangkok. Prospective students must have knowledge of Portuguese equivalent to the requirements of the CELPE-Bras standardized certification (<http://portal.inep.gov.br/celpebras>). Moreover, 'PEC-G 2017' covers tuition costs, but not stipends.

For more information please visit <http://www.dce.mre.gov.br/en/PEC/PECG.php>

A list of participating Brazilian higher education institutions can be found at [http://portal.mec.gov.br/index.php?option=com\\_content&view=article&id=12281&Itemid=534](http://portal.mec.gov.br/index.php?option=com_content&view=article&id=12281&Itemid=534).

Please do not hesitate to contact us if your University has any student interested in applying for the Program. We are ready to help them throughout the next steps of the required process.

We are looking forward to partnering with you.

Yours faithfully,

Luisa Tatsch
