University Young Leaders

CONFERENCE

2017

21st Century Skills for Today's Youth

OCTOBER 27 - 29, 2017 | HERITAGE BUILDING

UNIVERSITI TUNKU ABDUL RAHMAN, KAMPAR CAMPUS

Organised by the Department of Student Affairs, Universiti Tunku Abdul Rahman (UTAR), the University Young Leaders Conference (UYLC) will be held at UTAR Kampar Campus in Perak, Malaysia from 27 to 29 October 2017.

UYLC aims to enrich the students and sharpen their thinking and perspectives towards global contemporary issues in the 21st century. Participating student leaders are expected to acquire a good understanding of value system and achieve good communication with people from various cultural backgrounds.

OBJECTIVES

- *To enrich the students and sharpen their thinking and viewpoints towards global issues.*
- *To acquire a good understanding of value system and achieve good communication with people from different cultural backgrounds.*
- *To develop effective leadership skills and qualities.*
- *To promote student engagement through active learning and strengthen their social network abroad.*

LEARNING OUTCOMES

- *Create awareness on current issues and present ideas and win-win solutions to address global issues from the students' point-of-views.*
- *Enhance the cultural diversity and understanding among university students.*
- *Develop essential 21st Century Skills among youths today.*
- *Improve networking among students and universities.*

SYNOPSIS

Workshop Title: Community Development and Social Entrepreneurship
Associate Professor Albert Teo Chu Ying
National University of Singapore (NUS)

Synopsis:

This workshop aims to equip students with basic knowledge of community development and social entrepreneurship. Students will also learn some basic skills in conducting field research on the ground, specifically in ground sensing and community mapping.

Workshop Title: Critical Thinking
Ir Abdul Majid Bin Mohd Gani
Professional Engineer and HRDF Certified Trainer
Universiti Tunku Abdul Rahman

Synopsis:

This session aims to enable students as young leaders to

- *Raise vital questions and problems, formulating them clearly and precisely*
- *Think open mindedly within alternative systems of thought, recognizing and assessing, as need be, their assumptions, implications, and practical consequences*
- *Communicate effectively with others in figuring out solutions to complex problems.*

Workshop Title : The Power of Influence, Engagement and Negotiations
Dr. Timothy Law
Senior Business Consultant
Global Business And HRD Consulting Practice

Synopsis:

This session will explore the relevance of these skill sets that set individuals apart from the ordinary performance in today's talents. It will help youths to increase their competencies in these crucial skills and to be successful in their careers.

Workshop Title: People Engagement Leadership
Mr Ng Thian Watt
Success Inspirer
Quantum Dynamic Human Development

Synopsis:

This session will explore

- *That all human beings were born motivated; understand the psychological needs of human beings – Autonomy, Relatedness and Competence (ARC Model)*
- *How these were 'killed' by conventional 'Carrot and Stick system'*
- *How these can be re-kindled by the "Respect & RESPECT" Model*
